Editorial

Do Days Have Names Anymore?

Ah, as I write this, it's that very unique time of year when you have no idea what day of the week it is, everything is a bit of a fugg and anxiety is at its absolute peak as you have no idea when the bins go out and if it'll be the recycling, black bins or just the garden stuff (which is empty because no-one does gardening at this time of year as it's been tipping down, unless it's stuffed with leaves and branches because of the storm mayhem). Surely it'll be the recycling and black bins, that would make absolute sense rather than have it all knocking around for another week (plus a few days added on for bank holidays), please, not just the garden bins...

Anyway, I hope you all had a wonderful Christmas and, bar the recycling worries, are now weighing up what to do with the horrible Orange Creams, Eclairs and Strawberry gunk ones left over from the various boxes of Roses, Celebrations or whatever that have been knocking about.

But back to December, and blimey, just when you thought November's Bert had blown everything and everyone about, along came Darragh and that was even worse! Luckily the village has some good links to local roofers, so thanks from us for that. Meanwhile, all the bins migrated to the bottom of the garden...if I only knew which ones were needed now...

What else? The lights competition had a Yeo View 1-2, so well done to them!

As ever, please send your contributions to the email below if you fancy getting on the front cover, providing some content or entering the joke of the month competition...

Oh and it's the garden bins that are going out on the 2nd, the recycling and black bins are on the 8th, noooooooo! Happy New Year!

Cheers...

The Editor

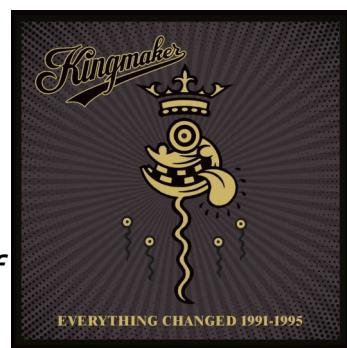

The Village Voice Is YOUR Village Magazine

We want to hear from you and want you to use it to convey anything you feel of interest to your fellow villagers.

Please leave any items for the YVV at Torridon, Station Road before the **20th of each month**, anything after that date may not be considered until the following month. **You must provide a name and address**, even if this is not for publication.

You can also email the editor, Jonathan, at
yvveditor@yahoo.co.uk

Publishing date: **the first week of each month.**

The Village Voice accepts no responsibility for any of the information or contributions contained herein.

Libraries Unlimited

The Reminiscence Project

Did you know that Crediton Library are building a collection of memories from people living in Mid Devon? The Reminiscence Project volunteers chat with people at the library, in their own homes, at care homes and anywhere else people feel comfortable. These chats

can be about any memories you'd like to share. Typically, we start at childhood and move through key events life events, but if there are specific things you'd like to talk about, we'd love to hear it! The chats are audio recorded, transcribed and added to an online collection for everyone to enjoy.

As part of the project, the library also runs a free 'Drop In' on the first Tuesday morning of each month. People can drop by for a chat and a good reminisce. There is usually a set theme to get us started, but conversations can veer off anywhere!

If you would like to sit down over a cuppa with one of our volunteers, to preserve and share your life experiences, or if you are part of a group who would be interested in trying a Reminiscence Group session, get in touch at crediton.library@librariesunlimited.org.uk or call 01393 772578.

This project has been made possible thanks to funding from the National Lottery Heritage Fund.

JOKE OF THE MONTH COMPETITION

Why is my wallet like an onion?

Every time I open it I cry.

YEOFORD VILLAGE VOICE FUN QUIZ

No prizes, no pressure...this month...flags...

1. Following the overthrow of its leader in 2011, which country's 1949 flag of three horizontal stripes of red, black and green, and a white crescent and star, was reinstated as its national flag?
2. The four stars on New Zealand's flag depict what?
3. The motto "L'Union fait la force" features on the coat of arms in the centre of which country's flag?
4. What colour are the three horizontal stripes, from top to bottom, on the flag of Burma?
5. Which creature featured on the imperial banner of the Holy Roman Empire, from 1401 to 1836?
6. The flag of which Baltic state consists of a crimson background (field) divided horizontally by a narrow white strip, with a width-to-length ratio of 1:2?
7. Which country's arc of six white stars was said to stand for the country's six predominant ethnic groups: Albanians, Bosniacs, Gorani, Roma, Serbs and Turks?
8. In 1816, which symbol for Brazil was added behind the shield of Portugal's royal arms featured on the country's then white flag? It represented a navigational instrument.
9. At the fly end, which country's flag features a crimson rectangle with a sword-wielding lion and four bo leaves?
10. Which African country hoisted a new flag on 31 December 2001, with the aim of promoting national unity? The design represents the nation's lush vegetation, bathed in the yellow light of the 24-rayed sun.

Answers below...

1. Libya; 2. The constellation/Southern Cross/Cross; 3. Haiti; 4. Yellow, green, red overlapped by a central white star); 5. A double-headed black eagle (on a yellow field); 6. Latvia; 7. Kosovo; 8. Armillary sphere; 9. Sri Lanka; 10. Rwanda

Quiz Answers:

FROM THE PARISH COUNCIL

REPORTING A PROBLEM WITH ROADS TO DEVON COUNTY COUNCIL

All drivers will be aware that state of repair of roads in Crediton Hamlets Parish is appalling, with more and more potholes (or are they craters?) appearing. The lack of action by Devon County Council is exceedingly frustrating but please report potholes in the hope this makes a difference.

Problems with roads can be reported on the Devon County Council website:
www.devon.gov.uk/roads-and-transport/report-a-problem/

There is a link to this page under "Useful Information" on the Parish Council website www.creditonhamlets.org.uk.

If the pothole has already been reported please add yourself to the existing report so that Devon County Council is aware that another person has reported the problem.

CREDITON HAMLETS PARISH COUNCIL

At the December Crediton Hamlets Parish Council meeting Yeoford Hearty Hearts explained that their bank is proposing to make hefty annual and transactional charges on their account. This will make the account unviable in the long term. In view of this Councillors resolved to take over responsibility for the Yeoford Hearty Hearts defibrillator (which is on the external wall of The Duck). The balance in the account will be transferred to the Parish Council and ring-fenced for expenditure on the defibrillator.

Councillors discussed a proposal from a parishioner for a mural to be painted on the Yeoford railway bridge. Councillors asked the Clerk to find out more information on funding and how best to proceed with the proposal. The Council, working with Cllr Sandy Chenore (MDDC), will then put details on Yeoford Hub and in the Village Voice to obtain views from the community.

The Clerk reported that the transfer to the Council of the Yeoford Chapel cemetery and the parking area opposite completed on 15th of November. The fence dividing the Council's part of the parking area from the part owned by Yeoford Chapel has been erected.

The Council usually meets on the first Monday of the month. The next full Council meeting will be on Monday 6th January at Yeoford Community Hall. If you would like to read the full minutes of the November Parish Council meeting they are on the PC website.

Please contact one of your councillors or Rachel Hodder, the Parish Clerk (clerk@creditonhamlets-pc.gov.uk or 01363 85523), if there is something you would like to have discussed at the next Council meeting. Members of public are very welcome to attend any meeting and speak during the public session.

Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets-pc.gov.uk).

SOLICITORS

County Councillor Newsletter—November

As the chairman of the senior scrutiny committee I have had several briefings from senior officers. The half-year budget situation shows that we are running an overspend of £4 million but this is £2 million less than the previous month. There will be financial challenges ahead following the budget because although the government says it will cover the increase in employer's National Insurance contributions (which could top £13 million) the increase in the minimum wage was more than officers expected and so this will have to be accommodated. All budget holders know that they have two important things to do namely reduce costs but maintain services. I do not envy them.

At a Cabinet meeting we were told that there is to be an increase in On Street rapid charging EV points. I fired off an e-mail to the relevant officer asking for a map of locations and stressing the need for these points can be installed on the streets of our smaller towns and larger villages. This is the only way we are going to increase the use of electric vehicles in the countryside. Reply was that they are taking great care to make sure that rural areas are well catered for and work should start in spring 2025. So that is good news.

At a meeting of the Devon Rail Forum I was pleased to hear that passenger numbers on both South West and Great Western Railway have increased and our own local Tarka Line had 800k passenger journeys and an increase of 50k journeys over the year. There are also plans to introduce a loop near Umberleigh which will mean even more trains coming down from Barnstaple to Exeter. It seems that Exeter College has set up a training programme for apprentice railway workers.

Our highways contract was discussed at Cabinet and it was decided to opt for a term maintenance contract which is rather similar to what we have already but it will be supported by other contracts to other businesses. My scrutiny committee has been promised site of any potential agreements which they can then question before recommending the Cabinet. The contract needs to be signed in March 2027 so we still have over two years to go, but officers tell us that these complicated contracts take a lot of discussion and analysis.

My scrutiny committee is also looking at Connecting Devon and Somerset. This is the rollout of the fast broadband which it was hoped will be finished this year but it seems now that the target has moved to 2030. However it does seem that they are putting in a concerted effort to bring all the rural areas into the fold. If you are interested in this I suggest you go onto the Devon County Council website, look at the agenda for November 28th meeting of the corporate infrastructure and regulatory scrutiny committee where you will be able to read fairly detailed report.

I do hope you are checking up on the grit bins in your area because we nearly got caught out last week, fortunately all grit bins in my area were fairly full but are now depleted. There you are your task for the month!

Cllr Frank Letch MBE (Crediton Rural)

The next open meeting of Crediton u3a is on Wednesday 15th January at 10am in the Boniface Centre, £1.50 including refreshments. Local folk singer Jim Causley will talk about the traditional folk songs of Devon. The next coffee morning is on Tuesday 21st January 10.30 at the Hayloft, Mole Avon.

County Councillor Newsletter—December

It seems the draft regulations for the Combined County Authority (Devon County and Torbay) has been put before Parliament. This means the authority will go ahead in the area. There is an upfront grant of £16 million half of which will be spent on affordable housing with the cooperation of the districts.

The county finance team have been busy putting together a best estimate budget for 2025/26 but unfortunately the government dropped a spanner in the works on 28 November when it announced its reforms of local government funding! In broad terms this means less money to Devon County Council and our districts. As we live in a rural area providing services is more expensive than in cities but despite this the government is going to reduce the rural services delivery grant by £10 million. They are also reducing the recovery grant by £2.5 million and the social care grant by an enormous £6 million. The total impact of the reductions outweigh the £6 million increases in various areas. It looks as if the total reduction in funding could be between £13 and £14 million. On top of this the finance team have had to cope with the budget predictions which could mean an increase of between £13 and £20 million unless the government helps with the increase in employer's National Insurance contributions.

Shortly after storm Darragh hit Devon I had a meeting with several senior officers from the highways team. For once it was all pretty good news! During the weekend of the storm, the emergency call centre received over 700 calls, 300 these to report fallen trees. County dispatched 24 teams over the weekend to deal with this problem, we have a very good contract with emergency teams which we can call on in such events as occurred that weekend. For the moment the emergency budget is not overspent but of course there are still many months of winter left.

The Ministry of Transport has awarded £10 million to Devon County Council to help with its Bus Improvement Plan. £5m is for capital and £5m for expenditure. There are plans to purchase more buses and also to improve rural services. Residents in Morchard Bishop will soon see that their services are to increase. I've also pressed for improved frequency for buses through Crediton and also for a more reliable service. Let me know of any problems on local bus services please.

Recycling and waste seem to be improving which is a very good thing because it means we earn more from selling recycled material and spend less for using landfill.

The hot topic of the day is the governments English Devolution White Paper. Responses need to be in to government by 10 January and so we are having a special meeting the day before! We already have in place for January the new Combined Council Authority which links DCC with Torbay Council. The eight district councils are not happy however and I do not blame them. Plymouth is a statutory authority even though it has only half the required population to properly qualify! We live in a crazy world of shifting sands.

Let me take this opportunity to wish you all a very happy festive period and a healthy and peaceful New Year.

Cllr Frank Letch MBE (Crediton Rural)

THE DUCK AT YEOFORD

Firstly, we'd like to wish everyone a Happy New Year.

We have three more Tuesday theme nights in January:
Tuesday 7th - Burgers and Ribs Night
Tuesday 21st - Steak Night
Tuesday 28th - Pizza Night

We will now be closed on Wednesday evenings until May.

Takeaways will continue each evening and Sunday lunchtimes, if we haven't advertised them please call us.

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.

**Be warm, when you want
Say goodbye to night storage**

If your house gets chilly towards the end of the day, or if your toes feel cold while your heating's on full – you're not alone. At South West heating, we've helped over three thousand customers escape the struggles of old, expensive night storage heating, oil or gas.

Our efficient, German electric radiators spread warmth evenly around your home, from floor to ceiling, and make it easy to choose your perfect temperature in every room.

ELKAtherm® heats up quickly and is simple to control – so you can be warm, whenever you want... without a big electricity bill.
