Editorial

Yeoford Yacht Club Anyone?

It really is quite wet out there...and has been for quite a while. January was all about the storms, flooding, mud getting churned off the verges, blocked drains, leaves (why...it's not autumn), power cuts, thunder and lightning and, of course, The Traitors Series 3.

But meanwhile, on the Yeoford Hub Facebook page there was a heated and, let's put this politely, slightly bizarre, debate about a potential mural on the rusty railway bridge. After the idea was mooted by a villager, one of our District Councillors managed to secure a small amount of funding. The project would have been run by the community with input from the school. Although there was general support for the idea and offers to provide help and paint, a few individuals vociferously objected, and it now looks like the money will be spent in another village. The district and county council websites have info on how their money can be spent. Tiny amounts of money are available for community projects, whereas infrastructure matters such as potholes, bins, street lighting, etc., come from different budgets. It will be interesting to see if the rusty wall remains or if the councillor continues to explore the potential for cleaning it up. It also flags the need to discuss things openly rather than using isolated social media posts. Hey ho.

Anyway, what's happening (apart from keeping an eye on those drains)? Well, not a lot in February, but organisation is well away for the next Yeofest which will be on Saturday 15th March. More details on that next month, but we understand it'll be the usual beer, food, games and music extravaganza that many, many out-of-villagers have taken to their hearts.

And that is that. As ever, please send your contributions to the email below if you fancy getting on the front cover, providing some content or entering the joke of the month competition...it can't always be the same three or two people...or one for that matter...

Cheers...

The Editor

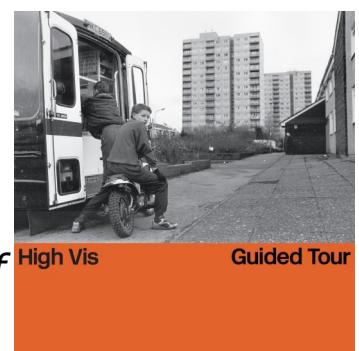

The Village Voice Is YOUR Village Magazine

We want to hear from you and want you to use it to convey anything you feel of interest to your fellow villagers.

Please leave any items for the YVV at Torridon, Station Road before the **20th of each month**, anything after that date may not be considered until the following month. **You must provide a name and address**, even if this is not for publication.

You can also email the editor, Jonathan, at
yvveditor@yahoo.co.uk

Publishing date: **the first week of each month.**

FROM THE PARISH COUNCIL

REPORTING A PROBLEM WITH ROADS TO DEVON COUNTY COUNCIL

All drivers will be aware that state of repair of roads in Crediton Hamlets Parish is appalling, with more and more potholes (or are they craters?) appearing. The lack of action by Devon County Council is exceedingly frustrating but please report potholes in the hope this makes a difference.

Problems with roads can be reported on the Devon County Council website:
www.devon.gov.uk/roads-and-transport/report-a-problem/

There is a link to this page under "Useful Information" on the Parish Council website www.creditonhamlets.org.uk.

If the pothole has already been reported please add yourself to the existing report so that Devon County Council is aware that another person has reported the problem.

County Councillor Newsletter—January

During this bleak and chilly month there have been several issues raising their heads. The OFSTED saga continues. Readers will remember that I have written about it several times. We had expected a full report in October but there were objections from senior officers about the content and the attitude of the OFSTED inspectors. In order to counteract this Children's Services have received another OFSTED inspection which began on the week beginning 13 January this year. We have no report of course; we do not even have a report of the original OFSTED inspection in October. We shall keep pressing and hope for a positive outcome.

The national issue is the Devolution White Paper which the government is bringing forward. It looks as though district councils will soon be no longer with us. As a district councillor and a county councillor I have been following the path of both these upper tiers. The districts have sent a letter to the Minister by 10 January as instructed. Devon county council has also sent a letter but with a very different slant. County had asked for a postponement of the May 2025 elections but this request has been refused and so there is likely to be quite a change in May this year. The issue is in place of the districts we will have one or two statutory authorities. Whatever the outcome residents must remember that whatever body takes over they will probably only have to be responsible for the mandatory services they have to offer. What will happen to those other soft services such as play areas, open spaces and leisure centres will have to be thrashed out. It is likely that they will be cascaded down to the lower tiers who will then have to precept to pay for them! I think we all agree that in Crediton we have two jewels in the crown in Newcombes Meadow and leisure centre (both owned by MDDC) and we would dearly want to keep them both.

As the chairman of the main scrutiny committee I have had to attend several budget meetings. Following the October announcements by the government there were certain changes to predicted budgets. It seems so far that all officers are happy that they are working towards balanced budgets but it is not an easy process. The upper tiers of course are limited by how much they can increase their precept. Whatever they can't find will be passed down to the lower tiers, which are not capped so shall still have to pay I am sorry!

I attended a very interesting meeting today about the new payment system that county is going to bring in fairly shortly. We are moving from a system called Finest to Unit 4. This moving over of data and arranging of processes has taken a long time but will go live fairly shortly. It is of course only the responsibility of officers and I am making sure as a scrutiny chair that we keep an eye on all risks. I am very wary of IT and keep reminding myself of the Post Office Horizon scandal!

At the moment winter means that I will not begin my usual surgeries. I do have a little money left in my locality fund if there is the community projects out there needs some funding.

Cllr Frank Letch MBE (Crediton Rural)

The next open meeting of Crediton u3a is on Wednesday 19th February at 10am in the Boniface Centre, £1.50 including refreshments. Brian Short will talk about "Rome: foundation to empire". The next coffee morning is on Tuesday 18th, 10.30 at the Hayloft, Mole Avon - join us to find out more about our groups and activities. Everyone is welcome, you don't have to be a member.

CREDITON HAMLETS PARISH COUNCIL

At the January Parish Council meeting Councillors resolved not to increase the Parish Precept for the 2025/6 financial year.

Councillors noted that the "risk of flooding at Station Road, Yeoford" and "large potholes at Yeoford Recycling Centre" were included in MDDC's Community Risk Register, which included many other risks in Mid Devon.

Councillors hoped to find out more information about the Register and how risks are included at a MDDC meeting later in the month. Councillors hope to then respond to MDDC about the Register after their February meeting.

Councillors reported on the two Christmas lights competitions in the Parish and congratulated the winners. In the Yeoford ward the successful entrants were 12 Yeo View - 1st, 9a Yeo View - 2nd and 10 The Oaks - 3rd. Councillors thanked all those who took part and made the village look so festive.

The Clerk will write to Meg Booth, the head of DCC Highways, to ask DCC to take urgent action to prevent the flooding at the Chapel from happening again.

The Council usually meets on the first Monday of the month. The next full Council meeting will be on Monday 3rd February at the Boniface Centre in Crediton. If you would like to read the full minutes of the January Parish Council meeting they are on the PC website. Please contact one of your councillors or Rachel Hodder, the Parish Clerk (clerk@creditonhamlets-pc.gov.uk or **01363 85523**), if there is something you would like to have discussed at the next Council meeting. Members of public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets-pc.gov.uk).

Yeoford 200 Club November—January Winners!

I am so sorry for the delayed update on winning numbers. Due to the weather, amongst other issues, this month is a bumper update and normal service will be resumed moving forward.

Thank you for your ongoing support and any queries, please contact -
club200yeoford@outlook.com

Thanks Lynsey

After the festive period we are getting back into the swing of things, and we had our AGM on the 14/01/25. It was good to reflect on the year and all that we had achieved – see photos of some of our activities. We managed to raise around £3,300 through the events we have supported and put on and this is thanks to all the parents, carers, grandparents and people in the village and surrounding areas who have supported our events so a big thank you to you all.

We have been able to contribute towards the children's school trips meaning more opportunities for them to get out and about learning, we have funded some new furnishings for the Reception, Year 1 and Year 2 classroom, funded leavers hoodies for the Year 6 students who moved on last summer, bought some books for the library, put in time cleaning up the outside of the school and on a shoestring we managed to do a makeover of the school staff room which was in much need of a refresh.

We are busy planning our events over 2025 so watch this space for more details coming soon!

Parish Voluntary Wildlife Warden

In Praise of our Wild places

Looking out from my doorstep I can see rough rank grasslands, the remains of thistles, the scrubby edges of blackthorn and bracken giving way to old oak woods, fringed with wild cherry, holly, hazel and ash. Mature trees grow up through the overgrown hedgerows. There are dead standing trees and fallen ones, left to rot. their crevices homes to insects, bats and owls. Red deer graze the best grasses and rest in the woods. There are thousands and thousands of field voles, fast food for owls, buzzards and the sparrowhawk. All our common woodland and garden birds are here. Adders and grass snakes, hares and goshawks. This land is alive and humans rarely visit from its four different owners, a refuge from the intensive agriculture further down the valley.

All over the parish there are patches of land like this. It may not be a grand rewilding scheme but wild it is. From my walks across the parish over the last 2 years I have marveled at the natural wonders we have and grieved at the losses. Where are the new trees being planted? Where are the new hedgerows? There are some, but not nearly enough. I don't want to tell folks in my old age that things used to be better for our wild creatures and plants, that there were more trees, more birds. I want to be able to say that it was cherished and protected, that nature flourished.

So, what can we do? Where do we start?

If you can, have area outside that you just let go and you can start small.

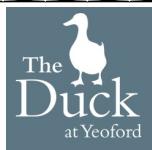

A patch of grass that is never cut, a corner behind a shed that's full of weeds...somewhere that it's bearable to let go, I wouldn't suggest your prized flowerbeds! The longer it lasts the more support for nature it provides. It won't be pretty but there is joy in knowing it is helping.

If you planted trees recently or created new native hedgerows it would be great to hear from you.

If you have wild spaces big or small under your care I'd love to hear from you.

Anna (artonmove@hotmail.com)

THE DUCK AT YEOFORD

So, Saturday 1st February sees the end of the shooting season, so also the end of our Tuesday night theme nights.

Thank you once again to all those who supported us, especially those who came to most of them!

Our opening times now changed until May:

Monday - Wednesday CLOSED
Thursday 11.30am - 10.00pm
Friday 11.30am - 11.00pm
Saturday 11.30am - 11.00pm
Sunday 11.30am - 5.30pm

We will also be closed Monday 17th - Wednesday 26th February inclusive.

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.
